## What are SHARPS?

“SHARPS” are needles, syringes, and lancets used by residents for self medication.

Now there is a safe way for residents of Rockland County to dispose of “SHARPS.”

Any resident who uses “SHARPS” in the home can participate in the program. This includes residents with diabetes or other medical conditions, such as cancer or allergies that require medication by injection.

## Disposing of SHARPS?

Place “SHARPS,” needles, syringes, and lancets into an “Approved SHARPS” Container” which may be obtained from a surgical supply house or pharmacy.

**This program is only open to residents of Rockland County. Sharps will not be accepted from private physician’s offices or healthcare agencies.**

## Collection Sites/Schedule for 2024-2027

A participating health care facility will accept and dispose of “SHARPS” on the dates listed below between the hours of 10 a.m. to 12 noon and 6 p.m. to 8 p.m.

**No unscheduled drop-off of “SHARPS” will be accepted.** By scheduling drop offs, the participating facility will have staff available to receive the “SHARPS” containers. Do not dispose of “SHARPS” in your town recycling program! Dispose of “SHARPS” only at designated facilities.
